

**21<sup>st</sup> Century Learning  
Passports: Adventures in Learning  
All About Penguins  
Curriculum Guide gr. 3-6**

Summary: How do penguins travel? What do they eat? How do they survive the cold? How do they avoid predators? If you would like to know the answers to these questions, or any questions you may have about zebras, then this passport is for you! Join "Mr. B" as he takes you on an exciting journey to learn "All About Penguins!"

**Learning Activities:**

**Activity #1**

Draw a map of the world and color-shade the areas where penguins live.

**Activity #2**

Do some more research on penguins and create a list of interesting facts about them.

**Activity #3**

Write a short story or poem about the life of a penguin.

**Activity #4**

Paint or draw a picture of a penguin in its natural habitat.

**Activity #5**

Paint or draw a picture of a penguin showing its body features. Draw an arrow to each body feature and write a short description on how each feature is used.

### **Challenge Questions:**

1. What do penguins use their flippers for?
2. How many different kinds (species) of penguins are there?
3. Where do penguins live?
4. What do penguins eat?
5. How do penguins survive in the cold?

### **Recommended books for further study on penguins:**

1. "Penguins!" by Gail Gibbons
2. "Penguins and Polar Bears" by Sandra Lee Crow
3. "Penguins" by Sally Morgan
